

# Essential Conditions

Necessary conditions to effectively leverage technology for learning:

## Shared Vision

Proactive leadership in developing a shared vision for educational technology among all education stakeholders, including teachers and support staff, school and district administrators, teacher educators, students, parents, and the community

## Empowered Leaders

Stakeholders at every level empowered to be leaders in effecting change

## Implementation Planning

A systemic plan aligned with a shared vision for school effectiveness and student learning through the infusion of information and communication technology (ICT) and digital learning resources

## Consistent and Adequate Funding

Ongoing funding to support technology infrastructure, personnel, digital resources, and staff development

## Equitable Access

Robust and reliable access to current and emerging technologies and digital resources, with connectivity for all students, teachers, staff, and school leaders

## Skilled Personnel

Educators, support staff, and other leaders skilled in the selection and effective use of appropriate ICT resources

## Ongoing Professional Learning

Technology-related professional learning plans and opportunities with dedicated time to practice and share ideas

## Technical Support

Consistent and reliable assistance for maintaining, renewing, and using ICT and digital learning resources

## Curriculum Framework

Content standards and related digital curriculum resources that are aligned with and support digital age learning and work

## Student-Centered Learning

Planning, teaching, and assessment centered around the needs and abilities of students

## Assessment and Evaluation

Continuous assessment of teaching, learning, and leadership, and evaluation of the use of ICT and digital resources

## Engaged Communities

Partnerships and collaboration within communities to support and fund the use of ICT and digital learning resources

## Support Policies

Policies, financial plans, accountability measures, and incentive structures to support the use of ICT and other digital resources for learning and in district school operations

## Supportive External Context

Policies and initiatives at the national, regional, and local levels to support schools and teacher preparation programs in the effective implementation of technology for achieving curriculum and learning technology (ICT) standards
